Moriah is a United Synagogue School which teaches Orthodox Jewish belief and practice, embodied in the principles of Torah and Halachah. They include the welcoming of every Jew, creating a sense of belonging, encouraging and preparing for lifelong learning, spiritual growth and practice, mutual responsibility within the community and the wider world, and the importance of Israel in Jewish life.

Jewish belief and practice permeate every aspect of Moriah's activity and we believe that it is essential that the Jewish character of the school's education be fully supported by all the families in the school.

We ask all applicants for a place for their child/ren in Moriah to respect this ethos and its importance to the school community.

To be considered a priority applicant, the **Certificate of Religious Practice** should be completed and returned to the school secretary.

I declare that I wish my child / the child in my care to be enrolled as a pupil of the Moriah Jewish Day School; that the information is true and correct in every detail.
